Our Design Experts will come to you

Visit our website for design ideas and inspiration and to schedule an in-home consultation. Our in-house designers will come to you!

Project Planning... Our 5-Step Approach

We offer a proven process to make the most difficult choices easy. Our 5-step approach to getting you the remodel of your dreams.

1 LET'S TALK:

Call to setup a **FREE** in-home appointment with a design consultant to discuss your needs. **We come to you!**

724-763-7057

2 DESIGN PROPOSAL:

After having a chance to talk with you and learn about your preferences, wish list for your space and reviewing the vast variety of options we offer, we will submit a design proposal.

3 FINALIZE ACCESSORIES:

This is an important step to ensure the estimated costs are in line with your budget. Our designers will review with you all the options available.

4 PROJECT MANAGER!

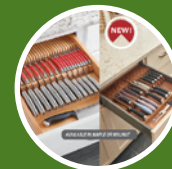

Your Nature's Blend designer will serve as your project manager and handle all the details

5 MARVEL AT THE END RESULT!

We want you to be thrilled with our work and know you made the right decision in choosing Nature's Blend.

Many Accessories to Choose From

Nature's Blend has many accessories available to fit your unique style.

Wood Color Choices

The overall feel of a room can be influenced by the natural characteristics of the various types of wood. At Nature's Blend, our designers will guide you so you can make the best decision for your style and budget.

▶ We have many types of wood options available and will be happy to discuss with you during your in-home consultation.

Taking the Stress out of Project Planning

How does it all come together?

Many homeowners are overwhelmed by the prospect of remodeling a room or ordering custom kitchen cabinets to update their existing layout.

Nature's Blend Wood Products takes the stress out of the planning and our experts will help you choose what will look best in your home.

We offer a proven process to make the most difficult choices easy. See our 5-step approach to getting you the remodel of your dreams.
